CONSULTANT – NETFLIX FEATURE POST PRODUCTION (2015)

Standardized Post Production budgeting, established post workflows and streamlined post scheduling.

VP OF POST PRODUCTION – LARRY LEVINSON PRODUCTIONS (2009 – 2012)

Supervised a staff of post supervisors, coordinators and up to ten editorial staff members and was in charge of creative quality control, budget adherence and network deadlines. Maintained oversight of picture editors, VFX companies, sound efx editors, sound designers, support staff, composers, color correction and sound mixes. Delivered 20 MOWs annually.

In addition to working all over the US, he has worked in the UK, Ireland, Eastern Europe, Thailand, India, and Vietnam.
