Based in Paris, Riego Van Wersch first exhibited his still work at age 17, moved into cinematography, and at age 24 became a graduate of the Gobelins School for Visual Arts in France. Since that time, Mr. Van Wersch's ability to perfectly combine his personal artistic vision with that of directors and producers, has made him a popular cinematographer around the world.

Mr. Van Wersch holds a French Passport and a US work visa, and is fluent in French and English.
